

Glacier Hills Entrance Gates
User Introduction
10-3-2022

The Glacier Hills development is secured by two entrance gates, one near the main entrance on Glacier Hills Drive, and another at the entrance off of Highway 2 (near the Mountain Meadow RV Park). You will want to have at least an entry code and probably one or more clickers (remote transmitters) in your possession so that you can easily get to and from your property here.

Each gate operates with the same, individually assigned clickers. Access through the main entrance gate is also possible using assigned entry codes. The main entrance gate also has a telephone entry system, which allows visitors to easily access a directory of neighborhood residents, place a call to the one they wish to visit, and have the gate opened for them by that resident via the same telephone connection. When you are leaving the neighborhood, your car will pass over a sensor imbedded in the roadway which will automatically open the gate as you approach it.

At a minimum, you will need to have an individually assigned 4 digit entry code. This code can be punched directly into the keypad located on the left side of the roadway at the main entrance, which opens the gates long enough to allow you to drive through. For even easier access, you may also obtain one or more clickers, which are similar in size and function to those used with garage door openers. These are available at cost, which is currently \$19.59 each.

Once assigned, please maintain careful control of your code and clickers. Each time they are used for entry, a transaction is posted to the system, which identifies the user, date, and time of entrance. This record will be available should there ever be a need.

More specific entry instructions for homeowners and visitors are available on the HOA website at <https://glacierhillshoa.com/documents/entrance-gates/>. For now, we would like to get a 4 digit (numbers only) entry code assigned to you, and provide you with one or more clickers if you wish. You may choose your own 4 digit (numbers only) entry code, subject only to a first-come, first-served priority. Please fill out and return the attached form to the address shown, along with payment for any clickers you wish to purchase.

If you have any other questions at this time, Greg Doggett handles the entrance gate systems and the assignment of codes and clickers. He can be contacted at 406-387-4707 or gdoggett@gmx.com.

NAME: _____

ENTRY CODE I WANT: _____ ALTERNATE IF FIRST CHOICE IS TAKEN: _____

I wish to receive my entry code via:

email (my email address is: _____)

US mail (address to use is: _____)

phone (phone number to use is: _____)

I will pick up (arrange with Greg Doggett)

NUMBER OF CLICKERS (remote transmitters) I WANT: _____ x \$19.59 EACH = _____
+ \$10.40 postage (if mailed)

TOTAL \$ _____ enclosed

I wish to receive my clickers via: US mail (address to use is: _____)

I will pick up (arrange with Greg Doggett)

Please make payment for clickers by check only, made out to Glacier Hills HOA.

Please return this form to: Greg Doggett
